

50 profitabelsten Nischen

Anbei findest du eine Liste der 50 profitabelsten Nischen. Ausschlaggebend ist hier zum einen der Umfang der Zielgruppe, der Gewinn pro Produkt und zum anderen der Konkurrenzfaktor. In Kurz: Wir suchen Nischen mit möglichst vielen potentiellen Kunden für möglichst profitable Produkte bei vergleichsweise geringer Konkurrenz.

Vor allem ist diese Liste eine tolle Inspirationsquelle, um neue Märkte zu finden oder seinen Geschäftsbereich auszuweiten.

Viel Spaß!
